WE WORK WITH

DOCTORS

The world of general practice continues to be challenging with income growth at disappointingly low or negative levels. Costs continue to rise and the regulatory burden is becoming more onerous. Let us help you understand what will make the most impact on your finances and compare how you are doing by benchmarking against other practices.

CONSULTANTS

Our consultant clients value advice on timely preparation of accounts and tax returns. We proactively advise on mitigating tax liabilities while minimising risk of exposure to tax enquiries.

DENTISTS

With clients ranging from NHS contract holders to private practices, we provide dependable advice to ensure they retain as high a proportion of their income as possible. Working with our Wealth Management team will help you grow your wealth and plan for the future.

CARE HOMES

Care homes face increasing regulatory restrictions and operate in competitive times. We offer advice and assistance to help maximise revenue and minimise tax.

PHARMACIES

From traditional high street locations to modern health centres, common to all is a competitive environment and regulatory burdens. We work with our clients proactively to help them improve their business and mitigate their tax.

- Advice on all aspects of GP finance including premises reimbursements; personal medical services and extra income generation.

TRAINED

- Training, support and advice to practice managers regarding bookkeeping, systems and best practice along with software implementation.

Issues facing the healthcare sector...

Financial Performance

Our team provide financial statements with sufficient detail on income streams and expenditure to provide accurate allocations of profit and a true record of assets and liabilities.

Succession and Retirement Planning

Practices evolve and continue beyond the working lives of the individual GPs, presenting concerns and opportunities for both the practice and the individual.

We provide advice on general and legal aspects to ensure the cashflow, working capital and funding requirements are suitable both in advance and subsequent to any changes.

ADVISORY

We offer effective and efficient solutions when our clients turn to us for advice.

INCORPORATIONS

We advise clients on potential incorporation structures to mitigate risk, enhance opportunities and reduce tax liabilities.

PARTNERSHIP AGREEMENTS

Advising on the legal, commercial and tax content of partnership agreements to ensure they cover appropriate profit allocation, succession and day to day management. We also assist with dispute resolution.

PARTNERSHIP PREMISES

For incoming and outgoing partners we advise on issues surrounding ownership or relocation. We advise how the property should be owned, funded and steps needed to maximise tax reliefs.

PMS/NEW GMS CONTRACT REVIEWS

We quantify the effect of making a transfer from PMS to GMS (or vice versa) and advise our PMS practices what is happening with GMS, and what they should be claiming from their local area team.

APMS/TENDERING

Drawing up financial documents required to support a tender and critically reviewing financial plans and assumptions to assess their viability. We also advise on the requirements to join the NHS Superannuation Scheme.

'LOCAL AREA TEAM' DISPUTES

With over 20 years' experience and knowledge of the old "Red Book" and the "New Contract", we help our clients confront unreasonable or incorrect demands from the local area team.

PARTNERSHIP MERGERS/SPLITS

We assess the financial effect of a merger or demerger. The pitfalls of a merger or split are explained in terms of the effect on tax, business profits and superannuation.

NHS PENSIONS

- One to one meetings to discuss your NHS Pension Statement so you have a better understanding of the pension benefits accrued to date, we also provide an explanation as to how your pension works.
- Discuss the changes to the NHS Pension Scheme and how this will affect any preserved benefits in the 1995 and 2008 sections of the scheme.
- Projections of retirement benefits to your selected retirement age.
- Pension reports looking at projected benefits to retirement, assessing when you are likely to exceed the Lifetime Allowance, and various options and solutions to reduce their impact against any Lifetime Allowance Tax Charge which will be incurred.
- Additional retirement planning throughout your employment, such as additional pension purchase through the NHS, private pension contributions out with the NHS, other investments, e.g. ISA's.
- Discuss 'At Retirement Options' such as 24 Hour Retirement, maximising lump sum, timing of retirement.

Issues facing the healthcare sector...

Superannuation

Rates have risen significantly and projected future benefits are falling. There are indications this equation may well deteriorate further.

Our Wealth Management team can advise on permanent or 24 hour retirement options.
